About Us

Incision Instrument Private Limited is a leading Indian supplier of Laparoscopic Endotrainers and Laparoscopic Training Simulators, providing practical, durable, and cost-effective solutions for surgical skill training and medical education.

We offer a wide range of Endotrainer models, including Full Body, Oval Egg, Rectangular Box, Abdomen, Ethicon Turtle, and Portable Foldable designs. Our training systems are supplied with 5 real, reusable laparoscopic instruments and a complete practice kit, helping users develop essential laparoscopic skills through hands-on practice.

Our Endotrainers support TV, RGB display, laptop, and mobile connectivity, with HDMI connectivity also available, making them suitable for demonstrations, classrooms, skills labs, hospitals, and individual practice.

Why Partner With Us ?

Wide Product Range • Practical Training Solutions • Reusable Instruments • Multiple Connectivity Options • Dealer & Distributor Opportunities

We welcome medical equipment dealers, distributors, hospitals, medical colleges, training centres, and institutional buyers across India and international markets.
